Ei CARES

Ei CARES is a formative assessment that teachers can use to schedule a test anytime on any topic they want. The test is typically on a topic that has recently been covered in the class. Ei CARES provides high-quality tests that give teachers feedback on the class's understanding of the topic. Based on the immediate feedback received within a few hours of the test, teachers can decide to either continue with the topic, clarify certain concepts, or move on to the next topic.
